GLUEDEVIL NEUTRAL CURE

SILICONE is a 100% alkoxy silicone based, making it highly flexible and is ideal for joint applications where movement occurs. It has a low odour, making it ideal for use in confined areas.

APPLICATIONS

GlueDevil NEUTRAL CURE SILICONE advanced formulation has strong adhesion to most surfaces such as, PVC, glazed tiles, ceramics, coated surfaces, wood and most plastics. The formulation is non-corrosive to metals and glass and is suitable for alkaline surfaces such as concrete, cement, brick and plaster, making it suitable for interior and exterior applications.
